

Tip Sheet Twenty-Five: **Unhappy with Network Marketing?**

How many people are really unhappy with Network Marketing?

How many are happy with their Franchise that just cost them anything from £20,000 to £150,000 just to open the doors to the public?

How many people are happy with their Day Job?

In every walk of life there are things which aren't right!

I bet there are millions more people fed up with their Employer as there are Network Marketers fed up with their Sponsor.

It's all relative!

We have challenges everywhere... that's just life!

The measure of life is not just how successful we all are... but what steps we each take to help ourselves and others succeed.

Our lives will always have some challenge to overcome, that's just the way it is... that's the way it'll always be!

So there's no point saying that MLM is a scam... MLM is taught at Harvard and it's a recognised business model.

Period.

But it doesn't work and that's down to all of us!

It's down to the Scammers that want our money!

It's down to those people that just want to make a quick profit!

It's down to those 'marketers' who chuck out those 'get rich quick' messages!

We know Network Marketing isn't perfect... and guess what... it'll never be perfect...

Just as the World will never be perfect!

So what now?

Do we blame others?

Do we sit and whinge about all the things that are wrong?

Do we put our head in the sand and never take the first steps?

Do we continue to practise those inefficient business building processes and never look how to optimise our business?

Maybe we just sit in our little bubble and let the World go by?

Ultimately, it's our individual and collective choices that will define the future.

What future do you want?

What future do you want for MLM?

What future do you want for yourself?

There's never a perfect time to do anything...

But there's always time to take that first step!

If you think you can't then... chances are you can't... and you never will!

But, if you think you can; then, the World can be your oyster... it really can be... no matter where you start!

So if you're unhappy with Network Marketing, why?

And what are you going to do to change it?

What can you do to make it better... not just for yourself, but also for your Upline, Downline and Prospects?

It's a challenge... it's a lifelong challenge...

But the rewards have got to be worth it, haven't they?

Our goal at the MLM Friends Platinum Club is the same as yours... to make Network Marketing work.

So... whether you're new to the Industry or a seasoned Pro, why don't we try together?
