

Tip Sheet Twenty-Six: **How to Make Money with MonaVie**

Hello and welcome to our 26th Tip Sheet. This Tip Sheet is not for Public Consumption; it's only for MLM Friends Platinum Club Members who might be interested in joining MonaVie.

I think MonaVie is a great opportunity in today's World; but then isn't everyone saying this about their opportunity?

As the Founder of this great Club, I recommend we all collaborate in the best MLM Opportunities... now MonaVie might be something that excites you or it might be something that you feel isn't for you!

I'm passionate about Health and Nutrition, so I'll always choose this type of Product over other Industry Verticals. The other great thing about Health and Nutrition is this: "It's one area where repeat custom is assured! (Plus none of us are getting any younger and ultimately we'll all need better nutrition, so why not start now?)"

Although MonaVie recommends their Membership buy 2 Cases of Product, I recommend you buy what you're able to buy.

We have a responsibility to each other and therefore 'forcing' others to buy more than they feel comfortable is just plain wrong!

You'll probably be wondering if the price of MonaVie's product is expensive; is it? Again that's not a question for me to answer as your values are likely to be very different to mine. Personally I don't think they are. Clearly though if you're offsetting your purchase price with regular commissions then no it won't ever be expensive!

Bear in mind here, we need to create revenue for MonaVie and for each other, and the best way to do that is collaborate within MonaVie. Imagine, our Members may be promoting every conceivable product and Company, but are we just wasting time and putting off the inevitable?

But what if we all worked together in MonaVie? That would certainly take the pressure of finding new Prospects... and of course we can all help each other develop a bigger Membership, some of whom will join us in MonaVie. That's how we really make money... be it MonaVie or with someone else, the power is in collaboration.

When we each look at the bigger picture and take the necessary steps to reduce our cost and reduce inefficiency, then we have the chance to make more money together!

Take a closer look at MonaVie today and don't forget to use my Assurance Software to confirm your thinking!

All our tools are designed to compliment your Business Building activity, whether you choose MonaVie or not. (Although we hope you do!)

Another facet of our Club is developing and showcasing real teamwork and credibility.

Again through Individual Profiles, Video, Knowledge Share and our Global MLM Dashboard we can all increase the power of our collaboration by telling the truth and showing others what we're achieving.

If we all continue to operate in silos' – on our own, then progress will be slow... but together we can fast-track our results.

Even if you're not sure about MonaVie today, have a look at our links, see the quality of our sites and TRY the product!

After all, our commitment to each other and MonaVie isn't just going to last 3 months! It's here for the medium to long term and that's why we should at least try the product.

Why not order a bottle today and give it a go? I love it! I just wish more of their product was available in the UK, but it will be in time!

If we all work together, promote our Club and promote MonaVie; the chances of building a team of thousands of people is very real.

Plus you'll earn \$7 each month for every successful referral you make to the MLM Friends Platinum Club!

There are millions of people out there struggling to sponsor just one person and together we can help them and ourselves achieve more.

MonaVie and the MLM Friends Platinum Club together is a potent force for good and for income; designed to showcase the best and help us each succeed.

As a Member, you've already seen and used our Club; why not give MonaVie a try? No obligation, no hard sell... just a recommendation.
